

Quad Bike Training Course Options - Offline

Unit Standard Course – with pre-learning and assessment

This course entails pre learning and assessment followed by a full day of theatrical learning & practical field training.

The applicants are assessed against the unit standards and receive a 'Certificate of Assessment.'

Ideally for applicants:

- With limited experience.
- Required to obtain the specific unit standards for recognised compliance training.
- Who have not completed any compliance refresher training in more than five (5) years (recommendation).

One Day Competency Course

This course entails approximately 3-4 hours theory followed by practical driving covering fundamental attributes for cross country riding.

Applicants on this course receive a 'Certificate of Attendance.'

Ideally for applicants:

- Who have previously completed unit standard training within the last four (4) years (This prior experience may need to be verified).
- Wishing to obtain specific training that does not require unit standards.
- Who have changed their vehicle/fleet thus operators require an introduction to the unfamiliar features & latest technology to ensure their safety both on & off-road.

Indictive Course Fees:

Per unit standard course	\$3,800 excluding GST and any disbursements (if applicable)
Per competency based course	\$2,600 excluding GST and any disbursements (if applicable)

Please note that the above indicative course fees:

- Are based on vehicles being provided free of charge by the client – 1 machine per 1-3 applicants.
- Once a course is confirmed, any non-refundable disbursements will be on charged.
- Where able, other work booked will enable travel costs to be equally shared.

Disbursements (GST Excl) ²

▪ Venue Hire	\$300 per day (unless otherwise specified for some venues)
▪ NZQA registration	\$50/course
▪ Materials	At cost – course specific
▪ Accommodation/meals	\$250 per night
▪ Travel (one way)	\$160 per hour outside 50k radius of Hawkes Bay
▪ Flights/ferry (if required)	At cost
▪ Rental vehicle	At cost

Contextualised Rural, Forest & Corporate Fleet Support

Post Course Support:

On completion of training, we will provide a post course report to support your training records.

Supporting training value:

We are able to further compliment and contextualise your training by addressing any concerns where areas of the following are communicated to us prior to training commencing.

- Near miss, incident and accidents
- Unusually high levels of repair and maintenance
- Culture
- Company policies and/or SOPs

Other fleet support for your business:

Natural Instincts also provide fleet support services inclusive of AWD's, 4WD's, trailers, LUVs and Quads.

Opportunities to support safety and compliance around fleet includes:

Contextualised Rural, Forest & Corporate Fleet Support

- Ability to weigh vehicles on site with our portable scales to assist with correct load placement ensuring compliance.
- Fleet reviews inclusive of comprehensive reporting and recommendations.
- Off-road related accident and incident investigations.
- Review and development support for company SOPs, policies and training.
