

## Quad Bike Training Course Options

Unit Standard Course – with pre-learning and assessment

This course entails pre learning and assessment followed by a full day of theatrical learning & practical field training.

The applicants are assessed against the unit standards and receive a 'Certificate of Assessment.'

Ideally for applicants:

- With limited experience.
- Required to obtain the specific unit standards for recognised compliance training.
- Who have not completed any compliance refresher training in more than five (5) years (recommendation).

One Day Competency Course

This course entails approximately 3-4 hours theory followed by practical driving covering fundamental attributes for cross country riding.

Applicants on this course receive a 'Certificate of Attendance.'

Ideally for applicants:

- Who have previously completed unit standard training within the last four (4) years (This prior experience may need to be verified).
- Wishing to obtain specific training that does not require unit standards.
- Who have changed their vehicle/fleet thus operators require an introduction to the unfamiliar features & latest technology to ensure their safety both on & off-road.

### Indictive Course Fees:

Per one day course \$1,800 excluding GST and any disbursements (if applicable)

### **Please note that the above indicative course fees:**

- Are based on vehicles being provided free of charge by the client – 1 machine per 1-3 applicants.
- Once a course is confirmed, any non-refundable disbursements will be on charged.
- Where able, other work booked will enable travel costs to be equally shared.

### Disbursements (GST Excl) <sup>2</sup>

- Venue Hire \$250 per day (unless otherwise specified for some venues)
- NZQA registration \$50/course
- Materials At cost – course specific
- Accommodation/meals \$250 per night
- Travel (one way) \$160 per hour outside 50k radius of Hawkes Bay
- Flights/ferry (if required) At cost
- Rental vehicle At cost
