

Rural and Four Wheel Drive training

Light Utility Vehicle (LUV) Side by side Training Programme

Why do a Light Utility Vehicle (LUV) training programme with TR Master Drive Services and Natural Instincts?

- You will be professionally trained by qualified and experienced instructors
- Train at one of our nationwide facilities or your own venue

*One-Day or Two-Day courses for LUV Training meet the needs of most clients. In addition to these options, TR Master Drive Services can develop courses to meet specific needs.

 <p>Light Utility Vehicle Training Programme</p>	<p>Course Aim</p> <p>To ensure that operators understand and can demonstrate basic knowledge and practical application relating to:</p> <ul style="list-style-type: none"> • The characteristics and operations of Light Utility Vehicles. • Operating a Light Utility Vehicle with due regard to the safety of the: <ol style="list-style-type: none"> 1. Driver and passengers. 2. Vehicle. 3. Terrain and Environment.
	<p>Course Structure</p> <p>The course includes a mix of theory and practical training and includes elements relating to –</p> <ul style="list-style-type: none"> - Health and Safety. - Vehicle checks, pre and post use. - Use of the vehicle over various terrain including water fording. - Loading and unloading from a trailer. - Vehicle drive line and mechanical characteristics. - Stability dynamics. - Correct practice when using LUV in ascent and decent. - Ground composition and recognition and what driving techniques to employ with them. <ul style="list-style-type: none"> • Courses can be unit standard or non-unit standard based. If unit standard based, then units would be selected in consultation with the client. • In addition to these options, TR Master Drive Services Ltd can develop courses to meet specific needs of clients.
	<p>Course Duration</p> <p>We run both one and two day LUV courses. Our one day course is suited to people with prior off road experience or training. It is also suited to people who currently hold the applicable unit standards and who are looking to complete a refresher course.
